

## Aussie Broadband Bonus Double Data for 6 Months Mobile Promotion – Terms & Conditions

- 6 months double data terms and conditions – New & Existing customers
- Aussie Broadband is offering a promotion to eligible new and existing nbn™ or OptiComm customers to receive double data for 6 months when adding a new bundled 4G mobile service.
- Terms and Conditions of this promotion includes:
- The promotion applies to new and existing Residential and Small Business Aussie Broadband customers\*
  - The promotional period commences on 28/02/2022 and ends on 11:59pm AEDT 30/09/2022. SIMs ordered outside of the promotional period (28/02/2022 to 30/09/2022) will not be eligible to receive the 6-month double data bonus.
  - To receive the 6-months bonus double data on new mobile service orders, customers need to use the promo code “MOBILE6DD”.
  - The promo code must be quoted and accepted at the time of sale for it to be applied.
  - The promotion cannot be redeemed outside of the promotional period.
  - The promotion cannot be applied retrospectively.
  - The promotion cannot be used in conjunction with any other mobile discount or offer.
  - The promotion cannot be transferred to another service, person, or party.
  - The promotion cannot be redeemed for cash.
  - Supported plans include the bundled 4G ‘voice & data’ and ‘data only’ plans.
  - Customers must have an active internet service with Aussie Broadband or have ordered an Aussie Broadband internet service to be eligible for the promotion.
  - Bonus data will be applied automatically to the customers data allowance for the relevant period once the SIM card is activated.
  - The promotional data bonus is based on the plan that you select (For example, 4G Voice Bundled 5GB plan + Bonus 5GB Data for 6-months = 10GB Data for 6-months) and will expire 6-months from date of SIM activation.
  - SIMs must be activated within 60 days of delivery. Failure to do so will result in the application being cancelled and the SIM card no longer valid.
  - Customers should refer to general terms and conditions for specific products and services.
  - Customers currently on Financial Hardship arrangements are not eligible for this promotion.
  - Aussie Broadband reserves the right, in our sole discretion, to remove your access to this program if you breach our fair and acceptable use policy, or we have otherwise formed the view that you are scamming this program.
  - Coverage Disclaimer: 4G plans can access 3G networks plus some or all of the 4G Plus network. Optus Plus network uses multiple frequencies (LTE 700 / 1800 / 2300 / MHz) to provide coverage. Check coverage at <https://www.optus.com.au/about/network/coverage> based on your address.

- If you bring your own device, make sure it's not locked to other networks and is compatible with the Optus network.

**Please Note:**

If the discount lasts longer than 30 days, we will endeavour to let you know when it is close to expiring.

*\*An existing customer is defined as an individual who is the legal owner of an active service with Aussie Broadband at the time the offer is applied.*
